Tutoring Experience

I have been tutoring IB and IGCSE English for the past 5 years, working with students across the globe. My focus is on helping them excel in both literature and language, providing a clear understanding of the core topics and texts required in these curriculums. Many of my students have seen substantial improvement in their grades.

Additionally, I support students preparing for A-Level and GCSE English exams, guiding them through complex texts and analytical writing. My experience has enabled me to tailor lessons to each student's needs, ensuring they have the confidence to perform well in exams and enjoy the subject.
